Curriculum Vitae

March 2023

Personal Information

Name and Birthdate: Sérgio Moreira; October 1978.

Email and Homepage: spjmoreira@gmail.com; https://spjmoreira.simple.ink.

Degrees: 2005 – 2012, PhD in Social Psychology, ISCTE-IUL; 1998 - 2003: Degree in Psychology, FPUL.

Current positions: Invited assistant professor at FPUL, CLSBE and Nova SBE; QHELP local coordinator; ES+saúde project staff; PSIA special interest group foundingg member.

Biography: Sérgio Moreira (PhD in Social Psychology, ISCTE-IUL) is a psychologist with extensive experience in applying Social Psychology to improve Social Performance and Project-Community relations. He as worked in new development projects in the energy production, transportation, and extractive industries. He is an associate of CIG and co-developed CIG's social performance competency development instrument SPGrow360. He is an invited assistant professor at the FPUL, CLSBE, and Nova SBE where he teaches Applied Psychology, Corporate Social Responsibility, and Research Methods. He has published his work in outlets as Frontiers in Psychology, Impact Assessment and Project Appraisal, and The Extractive Industries and Society, with the most recent work resulting from collaborations with Frank Vanclay and Ana Maria Esteves. Sergio is from Portugal and currently lives in Lisbon.

Main Activities in the Last 5 Years

Consultancy: Coordinated 5 (year-long) consultancy projects in the field of impact assessment and corporate social responsibility. These projects involved coordinating teams of experts, data collection, analysis, and reporting, and generating recommendations to strategic decision making. Founding member of a special interest group in Psychosocial Impact Assessment in the International Association of Impact Assessment. Co-developer of CIG's social performance competency development instrument SPGrow360.

Teaching: Taught 20 courses in Applied Psychology and Research Methods. These courses resulted in 4 online public resources: Statistics Tutorials, the MCA App, My Coding Index, and Step by Step: Linear Models. Supervisor of more than 40 master dissertations with young graduate and executive students in Corporate Social Responsibility and currently supervising 8 new ones.

Research: Collaborated in 3 different research projects that resulted in the co-authorship of 8 papers published in quartile 1 and 2 journals between 2019 and 2022. Local coordinator of 2 ERASMUS + Strategic Partnerships in Quantitative Thinking, co-organizing 6 mobility events for students, teaching 2 courses and co-developing 2 interactive Shiny app on model comparison and 1 forthcoming app in parametric data analysis assumptions.
